

# FEDERAL MINISTRY OF ENVIRONMENT

## (Special Climate Change Unit)

*In collaboration with*

### BAS ASSOCIATES CONSULTING

Is organising a two day training workshop on

### CLEAN DEVELOPMENT MECHANISM (CDM) AND MITIGATION OF GREENHOUSE GAS EFFECTS

The Special Climate Change Unit (SCCU) has the responsibility to monitor climate change, develop and implement plans for climate change adaptation and mitigation. The SCCU is the Designated National Authority (DNA) for approving Clean Development Mechanism (CDM) projects in Nigeria.

***The CDM helps provide financial flows from carbon credits for qualifying projects. Also CDM has now made it possible for projects that were not financially attractive hitherto, to now become feasible because of the carbon credits it would attract.***

**FOR WHOM:** Banks and other Financial Institutions, Oil and Gas companies, Manufacturing companies, State Governments, Federal Ministries of Petroleum, Energy, Power, Agriculture, Water Resources, Telecomms companies, Corporate organisations.

**DATE:** May 12-13, 2009

**VENUE:** Protea Hotel, Isaac John st, GRA, Ikeja, Lagos

**COST:** N75,000 per participant

Payment to be made to the following:

BAS ASSOCIATES CONSULTING: FINBANK, Acc no:

BAS CONSULTING : GTB, Acc no:
